REMARKS:

This year 2020 Annual Programme is in line with the Union's Strategic Plan 2018 – 2023. Therefore, this National Programme should guide all SU formations. Thus, it is important to note that all the Union's formations – Pilgrims Fellowship Groups, SUCFs, Zonal Committees, Areas Committees and Regional Committees should ensure that they use the National Programme to guide their planning of ministry activities/programmes. Cross check with Headquarters before swapping headquarters programme with yours.

NOTE:

Quarterly Specialization Training Focuses should be integrated/sandwiched with Pilgrim Groups' Fellowship Programmes. We aim at making all our Fellowship Group Centres to be recruitment and training centres for our core ministries. The SUCFs should arrange with Area Officers to mount similar specialization trainings in their campuses.
